

# Give Your Gifts On-Line

It has been just over three years since we sent letters encouraging an increase in weekly offerings. The response to that campaign was very good. The actual increased giving that we have seen over that three year time frame has enabled us to continue meeting our operating expenses. We are currently meeting our objectives of covering operating costs and recovering our cash reserves which are our two major financial goals.

Prayerfully continue with your increased level of giving.

Online Giving has been implemented for over a year and many of you have already begun using it. Those of you who haven't started using it will find that it is a safe, secure, convenient and an easy way to automatically do your weekly offerings. Your offerings can be done at any interval that you choose; just one time only, weekly, monthly, quarterly or annually, whatever you prefer. The offering can be withdrawn from whatever financial source you choose such as, checking, savings, debit or credit card. You will receive an email two days prior to your offering and a confirming email when it is complete. It will still be recorded in your envelope account number as before, but this is automated and less work for the office staff. Prayerfully consider investigating and using the new Online Giving opportunity. It can be found on the St Joseph website ([www.stjosephoneida.org](http://www.stjosephoneida.org)) under Online Giving, or go to directly to We Share (<https://stjosephoneida.weshareonline.org>).

Thank You and think of Giving On Line,
