### 40 Days For Life

Attention all St. Joe's parishioners—we need your help with our 40 Days For Life Campaign!

Our goal is to put an end to abortion because all human beings---babies, fetus's (Latin for "little one"), one year olds, etc.---all have the right to life! Life is "God Given" from conception to natural death and needs to be cared for and protected. Once conception occurs, there is no choice. Responsibility takes over. Once conception occurs, the woman becomes "mother" of a baby.

Every Spring and Fall St. Joe's Team for Life and all those people who believe in and are committed to Pro-Life/Anti-abortion carry on the 40 Days for Life Campaign, which consists of 40 days of walking and praying 24 hours a day for a total of 40 days. We walk with our placards such as, "CHOOSE LIFE" or "GOD GIVES LIFE" for awareness, and we pray continuously for God's intervention in bringing an end to abortion, the killing of innocent babies. We walk near a Planned Parenthood facility because they are one of the largest providers of abortions in the United States. United States abortion laws allow a woman to kill her own unborn child for any reason at any time during her pregnancy, and our country is one of only 4 countries in the entire world to allow such an extreme abortion policy. The result of this is that more than 3000 vulnerable baby's lives are taken in abortion mills every single day in America!! This is not the "Freedom" and "Right to Life" that we believe in.

40 Days for Life is attempting to bring a public awareness of the hideous and evil practice of abortion here and around the world. We walk and pray continuously for the 40 days that God will intervene in the minds of all our citizens and persuade them to "Choose Life" for their babies. St. Joe's Team for Life is walking and praying for an end to the destruction of innocent human life and to promote a culture that protects life!

We, your St. Joe's Respect Life Committee, ask that all parishioners join with our St. Joe's Team For Life in this Pro- Life Effort. Please join us in walking and praying on Oneida St. near the local Planned Parenthood Center in Ashwaubenon. If unable to walk with us, then pray, and if possible, fast, if you can, in an effort to implore the Lord's help with this Pro-Life Effort. Use some of our power prayers such as "The Chaplet of Divine Mercy" or recite the Rosary. Then also, "Speak Out" and be the voice of the most vulnerable of God's children, the unborn baby.

We need your participation. Please call us.

Thank You,  
St. Joe's Team for Life
